1 Introduction

1.1 Why Spiff GtkWidgets?

Spiff GtkWidgets provides a number of useful high-level widgets. Documentation is not yet available at this time.

1.2 Legal Information

Spiff GtkWidgets and this handbook are distributed under the terms and conditions of the GNU GPL (General Public License) Version 2. You should have received a copy of the GPL along with *Spiff GtkWidgets*. If you did not, you may read it here:

<http://www.gnu.org/licenses/gpl-2.0.txt>

If this license does not meet your requirements you may contact us under the points of contact listed in the following section. Please let us know why you need a different license - perhaps we may work out a solution that works for either of us.

1.3 Contact Information & Feedback

If you spot any errors, or have ideas for improving *Spiff GtkWidgets* or this documentation, your suggestions are gladly accepted. We offer the following contact options:

Google Groups: <http://groups.google.com/group/spiff-devel/>
Bug tracker: <http://code.google.com/p/spiff-gtkwidgets/issues/list>
Phone: +49 176 830 40288
Jabber: knipknap@jabber.org

2 Overview

Documentation for *Spiff GtkWidgets* is not available yet... sorry!

```
from SpiffGtkWidgets.Calendar import Calendar, Model, Event
```
